Opening 1 / 5

Hello, everyone. I'm Jade, and Holly has been my best friend since our first week of nursing school. I'll be quick, because there's cake.

Part 2 2 / 5

Before my hardest exam, I found a sticky note on my laptop. It said, 'You know this. Go eat a banana.' I did, and I passed. I kept the note, and it's still in my wallet.

Part 3 3 / 5

That's Holly. She knows exactly what you need, and she says it in six words or fewer. Sean, you'll get notes like that. Keep them.

Part 4 4 / 5

Holly, thank you for every banana. Sean, thank you for making Holly laugh the way she did that first week. I'm so happy for you both. You two are going to be great at marriage.
